

Jamborees Project

The Jamborees Project was an effort to expedite the vision of the Provincial Government of the Western Cape (PGWC) that is encapsulated in the Growth and Development Strategy (iKapa Elihlumayo). This strategy outlines the developmental path of the Province. It took place from the 14th -27th August held in various communities including Mossel Bay, Phillipi, Witzenburg, Delft and Vredenberg.

The communities of the Western Cape seeking Government services at the August jamborees.
